Olivet Student Ministry

Every Wednesday night students from around DSM, Urbandale, West Des Moines, Clive, Johnston, Ankeny, Grimes, Dallas Center and who knows where come to worship, learn, make friends, and take steps closer to God.

So how can YOU be a part of this growing ministry to students?

Be the church. Offer whatever gift, ability, time, and love you can muster in or out of student ministry. Students desperately need to see the church in action, whether that is driving them to and from youth events, sitting in on youth events, attending the snack bar, bringing in snacks or water, or donating pop bottles, going to ball games or letting us know what we can do to serve you!

As you be the church invite a student to go along. As we move into the fall one of the big lessons that I have for students this year is to be the church.

**We are the church when we love God and love our
neighbor. When we bring students along in this
mission we are involved in student ministry.
Contact Pastor Ben *today* to volunteer for this very
important ministry.**
